

Privacy Policy

Thank you for visiting the Clifton Springs Hearing Center website. Clifton Springs Hearing Center is committed to protecting and safeguarding your privacy. We appreciate you placing your trust in Clifton Springs Hearing Center, conveniently located in the Clifton Springs and Pittsford, New York areas.

Information We Collect and How We Use It

We collect two types of information about website visitors: Personal information (things like your name, address, telephone number, e-mail address, etc.) which you have voluntarily submitted to us, and aggregate information (such as how many visitors log on to our sites, the pages they access, etc.).

In general, you can visit this website without telling us who you are or revealing personal information. You may need to provide some information to participate in certain promotions and surveys, to register with the site, or to receive information. We collect, maintain, and use personal information you have voluntarily submitted to contact you, and to respond to your comments or requests for information. In addition, we may use personal information to provide you the most helpful products and services to meet your needs and respond to your inquiries.

To better meet your needs, we may supplement the information we collect with data obtained from third parties for the same purposes.

Data Sharing and Transfer

Clifton Springs Hearing Center will not trade, sell, or share your personal information without your consent, unless required by law or as disclosed to you when the information is collected, except that information you provide may be used by Clifton Springs Hearing Center or third-party business partners to fulfill a specific request such as to fulfill a product order, to analyze your opinion of Clifton Springs Hearing Center, or to address a question or concern about our services. If you do provide us with your consent, we also may share your information with third parties so that they may send you offers, personalized offers and tips, or ask for your feedback on their programs.

Cookies

Cookies help us make your visit to our website more enjoyable and meaningful. A cookie is a small text information file that your web browser places on your computer when you visit a website. This helps us to recognize you when you return to our site. We may use such technology to obtain non-personal information from you as an online visitor.

Children's Privacy

We do not intentionally collect any information or market to children under 16.
